Canon

Canon CR-120 Check Scanner

Canon CR-120 Check Scanner

The Canon CR-120 is a streamlined and effective check scanner tailored for medium-volume financial operations. It delivers high-speed scanning of up to 120 items per minute and features a 150-item Automatic Document Feeder (ADF). Its compact footprint makes it an excellent fit for teller counters and merchant workspaces with limited space.

EPSON DS-80W Portable Scanner

EPSON®

Epson DS-80W

The Epson DS-80W offers wireless portability at best-in-class speed. Scanning documents is convenient without the hassle of cords by wirelessly connecting to PC, Mac, iOS, or Android devices. The DS-80W is perfect for tasks that require scanning in the field or while on the run, which is made easy with its battery-powered operation.
