Software Solutions From Kodak alaris

Superior Information Capture to Speed Up Business Processes

Wipe out delays and wait times with accurate, smooth scanning backed by renowned service. Kodak Alaris image-optimizing **Perfect Page** scanning technology accurately unlocks information in even damaged documents, while **SurePath** paper handling reduces manual steps and misfeeds.

Integrated Software for Workflow Automation

Automate business processes with smart information capture technology that works right out of the box and plays well with any business processes.

- **KODAK Capture Pro Software** – Capture and index critical data and distribute smarter information to ECM systems and business applications to streamline workflows and processes
- **Smart Touch Technology** – Eliminate complicated multi-step scanning processes with one-touch simplicity
- **KODAK Info Input Solution** – Use web-based and mobile solutions designed to help business simplify document capture from MFPs, emails, or scanners and speed the flow of information to business processes

Custom Solutions for Business Transformations

Wherever your customer is on the road to digital transformation, Kodak Alaris and its diverse ecosystem of partners can integrate information capture software with their applications to support strategic goals.

Wacom®

Wacom is certified with EPIC Systems.

Here's why you should care:

- EPIC Systems are taking over healthcare institutions
- Wacom for Business has developed a new eSignature interface to support customers working with Wacom devices and the Epic EHR

Wacom's new interface:

- Allows facilities to capture patient signatures using Wacom's signature pads and pen displays at registration or the bedside
- Enables facilities to capture signatures on consent forms and patient records without the need for secondary applications, printing, or scanning

Why Wacom?

- Wacom Technology has a proven 40-year record of manufacturing top quality signature devices
- Wacom products are durable, easily maintained and all come with a 3-year standard warranty
- Certified with VMware Horizon and Citrix
