SOFTWARE HIGHLIGHTS

VASION PRINT
formerly **PrinterLogic®**

Vasion Web Print

Vasion Web Print is a browser-based add-on from Vasion that enables simple guest and mobile printing—no drivers or network access required.

Key Benefits

- **Driverless Guest Printing:** No IT setup for visitors or contractors.
- **Browser-Based:** Upload and print from a secure company URL.
- **Secure Release:** Admins can require held jobs to prevent unattended prints.
- **BYOD Ready:** Works on any device with a web browser.

Try it here on Vasion's Printer Cam
