SOFTWARE HIGHLIGHTS

Overview of the Printix Managed Service Provider (MSP) Partner Program via Cranel

The Printix Managed Service Provider (MSP) Partner Program enables partners to bundle Printix into their solutions and deliver value-added services to clients.

The program also gives partners the flexibility to provision customer tenants on demand, making deployment simple and efficient as part of their managed services offering.

MSP Program Benefits

- Tiered discounting that rewards MSP partners for their investment and growth
- Access to Printix sales and technical resources, tools, and best practices
- A complimentary Not-For-Resale (NFR) license for live product demonstrations
- A self-service Partner Portal to manage customer environments from a single view

With Printix, partners can retain margins, improve profitability, and manage more endpoints through efficient, cost-effective print management.

For more information reach out to Cranel sales, 800.288.3475.
