Service & Support

Let Canel be Your Partner for Success

40 YEARS OF EXPERIENCE

Since 1985, Canel has provided a premier distribution experience of document and print management technologies through established relationships with industry leading manufacturers and customers.

BUSINESSES WE SUPPORT

Canel supports Independent Software Vendors, Office Equipment Dealers, and Value-Added Resellers across multiple industries—helping businesses simplify processes and gain operational efficiencies.

PARTNER ADVOCACY

Canel is a resource and advocate to our manufacturers and customers. We offer value-add services along with extensive distribution experience, knowledge and commitment.

CRANEL ADVANTAGES

- Business program knowledge and flexibility
- Fast, accurate quoting and flexible credit options
- Online access to pricing and inventory information
- Advice, recommendations and assistance from certified Canel professionals
- Quick, easy access and delivery of multi-vendor solutions from Canel professionals
- Access to help desk resources to provide technical support, resolving end-user issues more quickly
- Customized, all-inclusive lifecycle service programs to maximize our partners annuity opportunity
