EPSON

EXCEED YOUR VISION

Epson DS-1630 Flatbed Color Document Scanner, Sheet-fed, Auto Document Feeder and Duplex Scanning

The affordable, versatile flatbed scanner with ADF for more productivity.

Streamline workflows and increase productivity with the DS-1630 document scanner. Combining a flatbed scanner with a 50-page ADF, this affordable solution is ideal for virtually any task. Quickly scan stacks of documents up to 8.5" x 14". Or, use the flatbed for IDs, passports, booklets, fragile items and more. Offering speeds up to 25 ppm1, plus auto-duplexing, the DS-1630 also includes TWAIN and ISIS® drivers for seamless integration with existing document management systems.

Epson WorkForce DS-50000 Large-Format Sheet-fed, Color Document and Image Scanner

The large-format scanner built for professionals.

Now, your workgroup can easily scan large-size documents, hard-bound books and more, all without breaking the bottom line. The affordable WorkForce DS-50000 delivers remarkable scans from business card size up to 11.7" x 17". Scan important oversized documents like drawings or maps, or other odd-sized items. Whatever you scan, this hard-working performer consistently delivers vivid colors and crisp, sharp text thanks to 600 dpi resolution scanning.

- Capture large documents — from 11.7" x 17" to as small as business card size
- Achieve remarkable results — up to 600 dpi resolution for crisp, sharp text
- Scan to any PC on the local network — with the optional Network Module
- Scan to popular cloud services — scan to SharePoint, Evernote and more
- Scan to searchable PDF — save scanned documents as PDF files

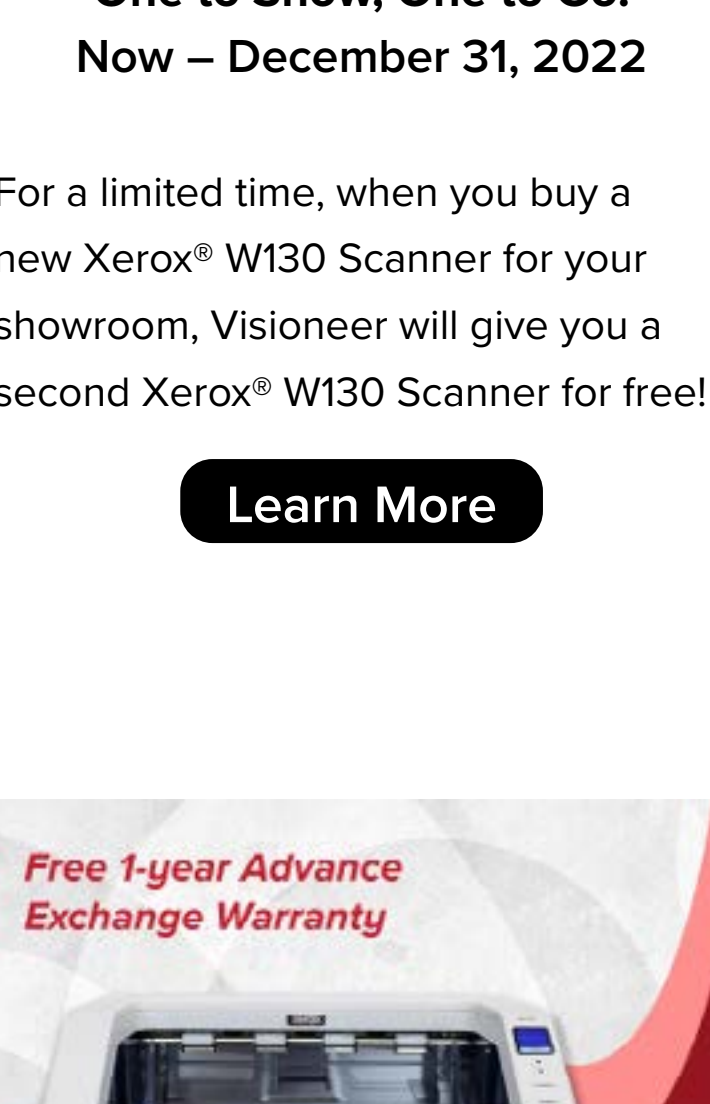

- Versatile flatbed scanner with ADF; auto duplexing
- Scan stacks of documents up to 25 ppm; 50-page ADF
- Seamless integration — TWAIN/ISIS drivers
- Scan to storage accounts like Dropbox and more
- Includes ABBYY FineReader, Presto! BizCard and more

Wacom

for Business

Big News!

Wacom is now certified with EPIC Systems.

Here's why you should care:

- EPIC Systems are taking over healthcare institutions
- Wacom for Business has developed a new eSignature interface to support customers working with Wacom devices and the Epic EH

Wacom's new interface:

- Allows facilities to capture patient signatures using Wacom's signature pads and pen displays at registration or the bedside
- Enables facilities to capture signatures on consent forms and patient records without the need for secondary applications, printing, or scanning

Why Wacom?

- Wacom Technology has a proven 40-year record of manufacturing top quality signature devices
- Wacom products are durable, easily maintained and all come with a 3-year standard warranty
- Certified with VMware Horizon and Citrix

AMBI R

ImageScan Pro 820ix and 830ix Scanners

Ambir™ ImageScan Pro 820ix and 830ix Scanners

Value meets results.

Depending on your need for speed, the ImageScan Pro 820ix and 830ix scan at 20 and 30 pages per minute (ppm) respectively and handle up to 3,000 pages per day, making them our most cost effective ADF scanners when you have a single document or a stack of paper to digitize. The ImageScan Pro 820ix and 830ix are compatible with both Mac and Windows devices.

Ideal Industry Use:

- Healthcare
- Insurance
- Banking & Finance
- Real Estate & Construction
- Professional Services & Consulting
- Government & Legal
