HARDWARE

Kodak alaris

Kodak A3 Flatbed Accessory

The Kodak A3 Flatbed Accessory expands the capabilities of your Kodak scanner by enabling high-quality scans of delicate, bound, or oversized documents up to A3 size. Ideal for books, photos, and fragile originals that can't go through a feeder, this accessory delivers crisp image quality while protecting valuable materials. Compact and easy to integrate, it works seamlessly with Kodak scanners to provide added flexibility without slowing down your workflow.

EPSON®

Epson DS-575W II

Wireless Color Duplex Document Scanner

Epson Epson DS-575W Scanner

The Epson DS-575W II is a fast, reliable wireless document scanner designed for busy work environments. With speeds up to 35 pages per minute and a robust 50-page Auto Document Feeder, it quickly handles everything from receipts and IDs to two-sided business documents. Built-in Wi-Fi makes it easy to scan and share files directly to computers, cloud storage, or mobile devices, helping teams stay efficient and connected.
