

CRANEL NEWS

Cranel's Portable Device Services

- ✓ Fast
- ✓ Flexible
- ✓ Competitive Pricing

Cranel offers an affordable solution to the costly replacement of the portable devices your customers rely on daily. Our services on mobile computing devices allow resellers to maintain service annuity profitability while helping customers extend the equipment's usable life and lower customer maintenance costs. Let us show you how we can help extend the life of your customers' portable devices working for them. [Visit our website](#) to learn more.

HARDWARE

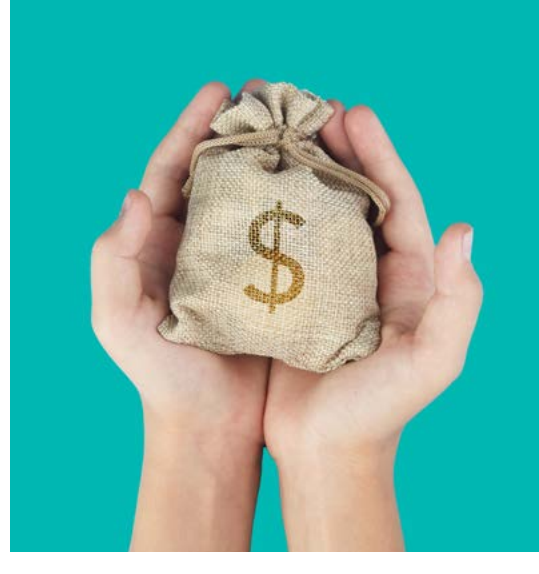

Powerful Performance and Flexible Connectivity

The DR-S150 can connect through Ethernet, USB, and Wi-Fi, allowing usage with desktop computers, smartphones, and tablets. The on-board image processing CPU ensures efficient and accurate scanning. The large color touchscreen makes scanning to select destinations and shortcuts easy.
